Change Overview:

The SET & ET Product Lines will be discontinued effective immediately as part of its' planned obsolescence and the streamlining of the Containment Duty portfolio.

Pumps & Parts Affected:

All pump models beginning with ET1, ET1-1/2, ET2, ET3, SET1 & SET2

All parts and components found exclusive to this SET & ET product lines will be made obsolete as any remaining inventory is used up. Parts shared with other platforms will continue to be supported and not be affected by this change

Interchangeability and/or Replacement:

Sandpiper has a full Containment Duty Pump offering available in other sizes/materials (1"-3")
